

## INCREDIBLE Medical Authors wanted (Freelancer, m/f)

Thanks for checking out our posting!

Writing medical articles in English is easy for you? You can't stand incorrect medical information and feel the urge to fix errors right away? Then you are exactly the person we are looking for!

Likely, you are a current or recent medical graduate or get satisfaction by putting your profound medical knowledge into practice. Please keep reading, if this applies to you. If not, then ... :-)

**SYMPTOMA** is a search engine for diseases. We want to save lives. And you can help us with that mission!

### Your task

Writing high quality medical articles. Each article averages 500 words.

It is very critical that you are **EXTREMELY** reliable, proactive and have a positive no-excuse attitude. Please don't apply if you aren't fulfilling all 3.

### Your profile

- Profound medical knowledge. Degree in medical studies preferred.
- Excellent linguistic and scientific skills
- Familiar with citing in AMA style
- Experienced in academical & medical writing
- Reliable & concise work ethic
- Able to dedicate more than 20 hours a week to SYMPTOMA

## Your prospects

- **Flexibility:** Our online system allows you to work whenever & wherever you want. Our editors even use breaks or quiet night shifts to write.
- **Security:** You can rely on the job and payment at SYMPTOMA.
- **Sustainability:** We guarantee full occupation on a long term basis. You won't have to go job hunting over and over again.
- **Bonifications:** We offer attractive bonuses for excellent performance.
- **Education:** Our editors deepen their medical knowledge by working on a variety of medical topics ... and at the same time get paid for that!

## Interested?

We are looking forward to your application via E-Mail (incl. CV and cover letter) to [editors@symptoma.com](mailto:editors@symptoma.com)
